

## Mason Mitchell

mmitchell7@tulane.edu | (424)-413-6200 | [Portfolio Website](#) | Los Angeles, CA

### EDUCATION:

Tulane University, New Orleans, Louisiana

Bachelor of Science in Computer Science & Information Technology

**Expected May 2028**

---

### TECHNICAL SKILLS:

**AI / Computer Vision:** YOLOv8, Image Preprocessing, Data Augmentation, Roboflow, Jupyter Notebooks

**Languages & Frameworks:** Python, C/C++, Java, Javascript, Typescript, SQL, HTML/CSS, React, Node.js, Next.js

**Tools & Backend:** UNIX, Git/Github, Supabase, Firebase, Vercel, Railway, Cloudflare

---

### TECHNICAL PROJECTS:

**Greenlab: Computer Vision Cell-Detection Platform** | Next.js, Python, YOLOv8, Roboflow, Supabase

- Architected a full-stack, AI-driven application utilizing YOLOv8 architecture for real-time stem cell detection
- Developed custom Python preprocessing and data augmentation pipelines to normalize microscopic images
- Integrated Roboflow for dataset management and used Supabase to store user credentials

**UNIX Systems** | C, Shell Scripting, Socket Programming

- Developed a custom command-line interpreter in C featuring multi-process management. I/O redirection, and background execution
- Implemented robust error-handling and signal-processing logic to manage concurrent child processes and prevent resource leaks.

**Proxify LLC: Distributed Infrastructure-as-a-Service (IaaS)** | Python, Linux, Docker, C

- Building automated deployment scripts to dynamically scale proxy nodes based on real-time traffic
- Engineering a scalable IaaS proxy designed to handle network requests and dynamic IP rotation

---

### EXPERIENCE & LEADERSHIP:

**The Hidden Genius Project** | Inglewood, CA

*Senior Youth Educator & International Program Ambassador*

**March 2022 - Present.**

- Directed advanced CS workshops for 100+ students covering Python, logic, and full-stack dev
- Represented organization internationally at London Black Tech Fest 2024; Locally partnered with Compton Girls Club

**Tulane Research Ambassadors** | New Orleans

*Executive Board Member*

**May 2026 - Present**

- Orchestrated campus-wide initiatives to promote undergraduate research grants

**Tulane Boxing & MMA** | New Orleans, LA

*Vice President & Secretary*

**May 2026 - Present**

- Co-manage club funding allocation, equipment procurement, and cross-university event scheduling
